

ENVIRONMENTAL POLICY.

The policy of this Contract Decorating company is to:

1. Monitor and control any aspects of the company's activities, products and services that can interact with the environment.
2. Monitor, review, and strive to reduce the use of natural resources. To strive to recycle 100% of recyclable materials used by the company.
3. Eliminate any adverse impact to the environment resulting from the company's activities.
4. Encourage customers to use environmentally friendly paints
5. Take, use and recycle our own water on sites wherever possible
6. Comply with any laws and regulations relating to the environment.
7. Pay special attention to any company activity that could cause pollution.
8. Using company vehicles to collect staff wherever possible, therefore reducing the overall number of vehicles used for the purposes of our business.
9. Carry out any relevant Risk Assessments to highlight any safety precautions that need to be implemented.
10. Ensure efficient use of natural resources is employed at all times.
11. Monitor all company activities with a view to continual improvement of environmental awareness.
12. Ensure all employees are aware of this policy and are trained to implement it to the best of their ability.
