

# COMMERCIAL CASE STUDY

# CARLISLE LAKE DISTRICT AIRPORT.

## Project Summary

The Story team decorated all internal surfaces of this 2-storey building with security area, lounges, café, offices, meeting rooms and 2 staircases. The ground floor is the terminal building with the offices on the first floor.

After years of planning, this job is something Carlisle and Cumbria can be very proud of as it will help bridge the gap between major cities such as Newcastle, Glasgow and Manchester and will service the county for years to come.

This was a challenging project with very tight timescales but has resulted in a job that Story Decorating Group can be delighted with.

This project was completed using Johnstones Trade Paints and digital wall graphics produced by AST signs.

## Awarded

Winner of the Commend Award in the Industrial Category at the Painting and Decorating Association's Premier Trophy Awards 2019.
